

Letter of Recommendation

MedNeuro 

Dear Applicant,

Please provide each of your referees with a copy of this form.

Dear referee,

Ms. / Mr. _____ (Name of applicant)
is applying to the International Graduate Program Medical Neurosciences at the
Charité in Berlin.

Thank you for taking the time and writing a letter of recommendation on her/his
behalf. We devised this set of questions to help you making your letter most
beneficial to the applicant. The information we are looking for in a recommendation is
the following:

- How long and under what circumstances have you known the applicant?
- How do you judge the applicant's over all academic performance?
- How do you rate the applicants scientific knowledge?
- How do you rate the applicants knowledge particular to the field of neuroscience? Give examples where possible.
- How do you rate the applicants practical skills and aptitude to work in a research lab?
- How do you rate the applicants command of the English language. Does it suffice for advanced academic work?
- What can you tell us about the applicant's personality, her/ his strengths and weaknesses?
- Over all, what can you say about the applicant's qualification, potential and motivation to enter into an advanced course of study?
- How would you rank the student compared to your other students? Please give us a value expressed in percent, e.g top 5%, best 20% etc.
